

- 大幹線 (Major Trunk Line)
- 幹線 (Trunk Line)
- 地方線 (Local Line)
- 私鉄線 (Private Line)
- 通勤線 (Commuter Line)

This map illustrates the extensive railway network of Japan, covering all major islands. The network is color-coded to distinguish between different types of lines and regions. Major trunk lines are shown in red, while secondary lines are in blue. Private lines are in green, and commuter lines are in purple. The map also shows geographical features like the sea and islands. Major cities and regions are labeled throughout the map.
